# SHOWA 7700PFT

The SHOWA 7700PFT single-use glove uses textured fingertips to enhance the wearer's wet and dry grip. Engineered with revolutionary SHOWA technology found in the N-DEX® line of products, this glove features static-dissipative properties. Natural rubber latex free and powder-free, the 7700PFT prioritizes comfort, and a rolled cuff prevents dirt from entering the glove. And featuring SHOWA's revolutionary Eco Best Technology® (EBT), these gloves are engineered for accelerated biodegradation in biologically active landfills.

## BENEFITS

- Disposable
- Latex-free
- Flexible
- Textured Fingertips

## INDUSTRIES

- Agriculture
- Automotive
- Landscaping
- Municipal Services
- Utilities

## FEATURES
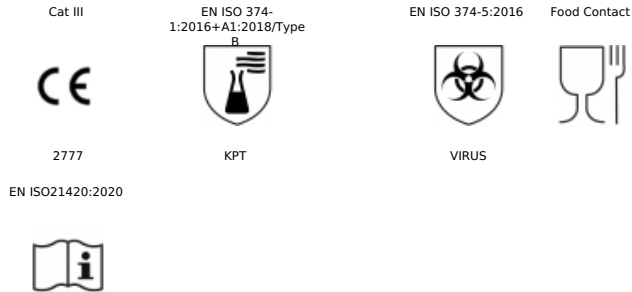

- Powder-free
- Unsupported
- Rolled Cuff
- Accelerator-free
- Ergonomic
- Nitrile Coating
- Eco Best Technology® (EBT)
- Anti-static liner
